Capclave is a small relaxed literary convention with a program that usually focuses on novels and short fiction. Our Guests of Honor and other notable authors, editors, artists, and fans of fantasy and science fiction will explore the creation and enjoyment of genre novels, stories, TV, and movies.

Past Capclaves have hosted discussions with authors and fans; readings by authors; a dealer's room with books, magazines, artwork, crafts, and other science fiction and fantasy related items; workshops for writers; exhibits by artists; space science presentations from NASA; book clubs; a hospitality suite; room parties; interesting conversations with other fans and professionals; and a relaxed atmosphere for visiting old friends and meeting new friends.

Capclave is a production of the Washington Science Fiction Association
